

Little Beginnings Learning Center in Hastings, MN seeks to hire a Part Time Floating Teacher.

Competitive wage and positive work environment.

We are looking for a flexible person who can help fill gaps and step in where ever needed. As a part time floating teacher, we would work together to create a schedule to help when staff are either out sick, on vacation, or we need some extra help. Some weeks would have more hours to offer than others. This person would have the opportunity to work in many different classrooms and help many different children throughout the center.

Job Description:

- Create a safe environment designed to promote all areas of development
- Work cooperatively to implement classroom activities and curriculum
- Manage classroom and lead transitions from one activity to another
- Guide children through interactions and foster children's use of language and conflict mediation skills
- Engage/supervise developmentally appropriate activities inside and outside, participate in children's play, and foster creative use of materials.

Job Requirements:

- Has or is working on an Associates degree or higher, from an accredited institution, in child development, Elementary Education or related field is preferred.
- At least one year of teaching experience is strongly preferred.
- First Aid, CPR, and Sids/Shaken baby training or willingness to be trained
- Knowledge of teaching and activity methods used with preschool or early elementary school-age children and principles of child development, the behavior of young children, positive discipline and redirection techniques.
- A philosophy of early childhood education that is compatible with the center's.
- Ability to establish warm supportive relationships with the children, accept and profit from supervision and constructive criticism, develop and maintain working relationships with parents and staff, and thrive in a team-oriented environment.
- Basic computer skills including ability to access the internet for research, send and receive emails, and experience using computer programs to create documents.
- Knowledge of NAEYC Accreditation criteria helpful but not necessary
- Attendance of Staff meetings, and other family and center wide events.

Interested candidates, please send cover letter and resume to Jen Gelhar.
